## Mother's Day Surprise!

By Morgan Clarke, age 10

Mother's Day is an international holiday to celebrate your mom. This holiday gives moms a chance to relax from all of her hard work she does for us. One thing you can do for your very special mom is to cook dinner for her, instead of her doing the work on her special day. Another thing you could do is when she gets home from work, she walks into a nice spotless and organized house. So, what you could do is to help clean and organize the whole house. You could also simply make her a personalized card. You could think of something really special to her and make her the item she has always wanted or a mini version of it. That is how you give your mom the most special day of her life.

## Thank you, Mom

By Hannah Moses, age 11

You are my mother,  
We love one another.

I have many thanks to give,  
I'll praise you as long as I live.

I hope you know how much you  
mean to me,  
A mother that makes me so happy.

Happy Mother's Day to you,  
Just to know, I love you.

## Mothers

By Dior Mascarenas, age 12

Mothers do great big things  
No matter what they bring  
It's always such a treat  
Because they are so sweet.

When mother is not here  
I know she did not disappear  
She is always in my heart.  
Mother has never left.  
But now you know  
That Mothers are very, very "big"  
to their little ones.

## Mommy, Mommy

By Emad Ahmed, age 11

We all know how special moms are  
They take you to school every day in a car  
Our moms support, help, and cook  
Sometimes at night they even read you a book.

When you fall and scrape your knee, mom's there  
When you encounter fear, mom's there  
When you were young, mommy rocked you to sleep  
So, then you wouldn't weep.

In school when you had a hard time with work  
The doubt in your head began to lurk  
But you no longer need to yelp  
when your mom starts to help.

She's the one that cooks you food  
Even when she's not in a good mood  
She gives you a roof over your head  
And one amazing soft bed!

Your mom pays all the bills  
Even though she might do it against her will  
Now go give your mom a special hug  
Filled with love taller than her gigantic mug!  
Happy Mother's Day!
